

Core Capability Crosswalk To TCLs

Core Capability	Cross-walked Target Capabilities
Mission Area: Prevention	
Planning	Planning
Public Information and Warning	Emergency Public Information and Warning
Operational Coordination	Emergency Operations Center (EOC) Management
	On Site Incident Management
Forensics and Attribution	NONE
Intelligence and Information Sharing	Information Gathering and Recognition of Indicators and Warnings
	Intelligence Analysis and Production
	Intelligence and Information Sharing and Dissemination
Interdiction and Disruption	Counter-Terror Investigation and Law Enforcement
Screening, Search, and Detection	CBRNE Detection
Mission Area: Protection	
Planning	Planning
Public Information and Warning	Emergency Public Information and Warning
Operational Coordination	Emergency Operations Center (EOC) Management
	On Site Incident Management
Access Control and Identity Verification	NONE
Cybersecurity	NONE
Intelligence and Information Sharing	Information Gathering and Recognition of Indicators and Warnings
	Intelligence Analysis and Production
	Intelligence and Information Sharing and Dissemination
Interdiction and Disruption	Counter-Terror Investigation and Law Enforcement
Physical Protective Measures	Critical Infrastructure Protection
Risk Management for Protection Programs and Activities	Risk Management
Screening, Search, and Detection	CBRNE Detection
Supply Chain Integrity and Security	Food and Agriculture Safety and Defense
	Animal Disease Emergency Support
Mission Area: Mitigation	
Planning	Planning
Public Information and Warning	Emergency Public Information and Warning
Operational Coordination	Emergency Operations Center (EOC) Management

	On Site Incident Management
Community Resilience	Community Preparedness and Participation
Long-term Vulnerability Reduction	NONE
Risk and Disaster Resilience Assessment	NONE
Threats and Hazard Identification	NONE
Mission Area: Respond	
Planning	Planning
Public Information and Warning	Emergency Public Information and Warning
Operational Coordination	Emergency Operations Center (EOC) Management
	On Site Incident Management
Critical Transportation	Citizen Evacuation and Shelter-in-Place
Environmental Response/ Health and Safety	Environmental Health
	Responder Safety and Health
	WMD and Hazardous Materials Response and Decontamination
Fatality Management Services	Fatality Management
Infrastructure Systems	Restoration of Lifelines
	Structural Damage Assessment
Mass Care Services	Mass Care (Shelter, Feeding and Related Services)
Mass Search and Rescue Operations	Search and Rescue (Land-based)
On-scene Security and Protection	Emergency Public Safety and Security Response
	Explosive Device Response Operations (EDRO)
Operational Communications	Communications
Public and Private Services and Resources	Critical Resource Logistics and Distribution
	Fire Incident Response Support
	Volunteer Management and Donations
